Amended December 2022

Amended March 2017

B - 2.2 The Organising Committee, in consultation with the National Cross Country Advisor and the Technical Delegate, will determine the program order of events.

B - 2.3 Starting positions for each race will be determined by the Organising Committee conducting a draw for Race 1 and rotating positions for other races. Position 1 will be on the left of the starting line facing the direction of running. Teams will be allocated a particular starting box.

B - 2.4 An elevated banner will mark the finish line along with a thick white line on the ground surface that is clearly visible to all athletes.

B - 2.5 Judges are required to record the finishing order of all athletes. It is recommended that a dictaphone and/or video camera be used to determine accurately athlete's final placings.

- B - 2.6** A Cross Country race shall not commence unless the previous race is finished. This rule may be waived by the Event Referee in the event of severe weather conditions or special circumstances.

B - 3. Cross Country Team Scoring

- B - 3.1** All athletes will be eligible to score points for their state (regardless of their selection by School Sport or Athletics Australia Member Association)

Amended March 2017

B - 3.2 Able Body Events

- B - 3.2.1** 'Scoring team' means a state having at least four athletes completing the race.
- B - 3.2.2** 'Scoring members' includes up to the first six athletes from each state completing the race.
- B - 3.2.3** In determining the finishing positions of scoring members of scoring teams, the race result will be adjusted so that the finishing positions of non-scoring members of scoring team (i.e. more than six from any state) and members of non-scoring teams (i.e. less than four from any state) shall be eliminated.
- B - 3.2.4** If two or more competitors tie for any place, the points for the places concerned shall be aggregated and divided equally amongst the competitors involved in the tie.
- B - 3.2.5** The winning team will be the state, which scores the least number of points by aggregating the positions in which its first four scoring members finish.
- B - 3.2.6** In the case of a tie on points, the team whose fourth scoring member finished nearer to first place shall be declared the winner. If placing remains equal this principle applies to the third scoring member, and so on, until a winner is obtained.
- B - 3.2.7** Athletes representing overseas teams will be eliminated from the team scoring process.

B - 3.3 Multiclass Events

- B - 3.3.1** For multiclass events 'scoring members' include up to the first 3 athletes from each state completing the race.
- B - 3.3.2** In determining the finishing positions of scoring members of scoring teams, the race result will be adjusted so that the finishing positions of non-scoring members of scoring team (i.e. more than three from any state) and members of non-scoring teams (ie. less than two from any state) shall be eliminated. Each member body at the pre championship meeting can elect to be involved in the verification of results in multiclass events prior to them being published.

B - 3.3.3 If two or more competitors tie for any place, the points for the places concerned shall be aggregated and divided equally amongst the competitors involved in the tie.

B - 3.3.4 The winning team will be the state, which scores the least number of points by aggregating the positions in which its first two scoring members finish.

B - 3.3.5 In the case of a tie on points, the team whose second scoring member finished nearer to first place shall be declared the winner. If placing remains equal this principle applies to the third scoring member.

Amended December 2022
Amended October 2017

B - 4. Relay Event Rules

B - 4.1 Age relay teams for 10 years, 11 years and 12 years shall comprise five (5) athletes from the same state who are eligible for that event. If in any given relay, should there be insufficient numbers, a team replacement can come from a younger age group, however, a team must contain at least half of the correct age group. Composite relay teams shall comprise six (6) athletes from the same state who are eligible for that event. To be eligible for the composite relay the athlete cannot have finished in the top four in the individual event for that state. Multiclass composite 10- 12 years relay teams shall comprise of four (4) athletes from the same state who are eligible for that event

Amended November 2023
Amended October 2017

B - 4.2 Age relay teams for 13 years, 14/15 years, 16/17 years and 18/19 years events shall comprise five (5) athletes from the same state who contested Cross Country events in that division. If in any given relay, should there be insufficient numbers, a team replacement can come from a younger age group, however, a team must contain at least half of the correct age group. Multiclass composite 13/14 years, 15/16 years and 17 -19 years relay teams shall comprise of four (4) athletes from the same state who are eligible for that event.

Amended November 2023

B - 4.3 The name of athletes representing each state, in their correct running order, will be supplied to the Technical Delegate / National Sport Advisor by 6:00pm on the day of the individual cross-country events. Changes to the nominated running order can only be made with permission of the Technical Delegate / National Sport Advisor.

Amended April 2024

B - 4.4 Each runner will wear a large coloured patch supplied by the School Sport Australia National Cross Country Advisor on the front and back of the running singlet/top to indicate the age/year group they are competing in. Computer labels with athlete details will be supplied and bib numbers used in the individual event will be required in the Individual Time Trials.

B - 4.5 After completion of each relay leg, athletes will establish clear, physical

contact with the outgoing runner within a marked 20m zone.

- B - 4.6** All age relay teams running the same distance shall be conducted simultaneously at the discretion of the Organising Committee.
- B - 4.7** For Age relay teams 13, 14/15, 16/17 and 18/19 years events, States may substitute athletes from another age group into its nominated relay team provided that:
 - B - 4.7.1** the relay being contested is for an older age group than that contested by the athlete in a cross- country event.
 - B - 4.7.2** the substitution does not affect the representation of the state in the younger age group.
 - B - 4.7.3** the athlete being included was not one of the first five representatives of that state to complete the Cross Country event for his/her division except where that state is unable to be represented by a relay team in the younger division.
- B - 4.8** Athletes not nominated to represent their state in their official age relay teams will be given the opportunity to compete in a Time Trial, which shall consist of a race half the individual race distance.
- B - 4.9** The Time Trial for each age group shall be conducted simultaneously with other age groups of the same gender and distance. All individual time trials will be conducted after the relay events.
- B - 4.10** Athletes competing in Time Trial events must compete in the same age group as they did for cross- country events, EXCEPT in the year of the international selection trial when the time trial will be split into two competitions. A school team time trial (all school team members except those members selected in the top 6 of their state) and a 16/17 and 18/19 school sport team member time trial.
- B - 4.11** Relay events for a particular gender shall be scheduled prior to the Time Trial for that gender and the Composite Relay.
- B - 4.12** A relay or time trial shall not commence until all competitors have completed the previous event.
- B - 4.13** The Organising Committee shall determine starting positions for each relay and time trial.
- B - 4.14** Each age group Multiclass 13 – 15, 16 -19 and 13, 14/15, 16/17 and 18/19 years events contesting a relay will be provided with a start/finish line and changeover zone. In the Multiclass 10-12 years, 10 years, 11 years and 12 years relays a single start/finish line will be used depending on how the event is organised.

B - 5. Benchmark Standards (Baseline)

B - 5.1 Selection

Each Multiclass must complete the selection criteria as determined by their School Sport Australia member body (e.g. participation at school, district, and regional level).

B - 5.2 Distances

B - 5.2.1 Individual Cross Country

All athletes in the 10-12 years multiclass individual races will run a distance of 2 km. Medals will be presented as per age group and gender. Athletes in the 13-19 years multiclass individual races will run in a combined event over a distance of 3 km for all ages.

B - 5.2.2 Team Relays

Athletes in the 10-12 year multiclass relay event run a distance of 1000m for all ages and gender. Athletes in the 13-19 year multiclass relay events run a distance of 1000m Each state may enter one (1) 10 – 12 years relay team for each gender for the age 10-12 years age and one (1) secondary relay team in each of the following ages 13/14 years, 15/16 years and 17-19 years, consisting of 4 members irrespective of gender. Gold medals to be awarded as per current age groups and genders. Member Bodies must have 4 athletes to field a team. The team points for medals will be calculated by averaging all competitors’ performance percentages as per the relevant Baseline data, and medals awarded using the method as used with the individual races. There will be 10 - 12 years medals for boys’ and girls’ teams and 13/14 years, 15-16 years and 17-19 years medals given. Medals (based on the team points score) will be presented to the first 3 states.

Amended July 2021

B - 5.5 Athletes in a multiclass event must choose prior to competing whether they will compete in the multiclass event or with able bodied athletes. If competing in the multiclass event they must complete the classification documentation.

B - 5.6 Results

Placings for all Multiclass events will be determined using the most up to date baseline data provided by AA for 1500m races in relation to the distance run for each event (individual cross country, relays and time trials). In both the individual cross- country, relays and time trials, all percentages for all disability classes will be calculated and the highest percentage wins, second highest second etc.

B - 5.7 Eligible Classifications

B - 5.7.1 Intellectually Disabled (II1) – ID (T20); or

B - 5.7.2 Significant Impairment (II2) – T21 (Medical clearance is required prior to competing); or

B - 5.7.3 Hearing Impaired – HI (T01); or

B - 5.7.4 Vision Impaired – T11, T12 and T13. T11 athletes must run with a guide and T12 and T13 athletes can elect to have a sighted guide runner. See Sighted Guide Guidelines (Item B - 5.9); or

B - 5.7.5 Cerebral Palsy – T35, T36, T37 or T38 or;

B - 5.7.6 Dwarfism – T40 and T41 are both subject to a medical clearance.

B - 5.7.7 Amputee and other T42, 43, 44, 45, 46 (NO PROSTHESES) or;

B - 5.8 Hearing aids will be removed on the line one minute prior to the start or after all final instructions have been given, whichever is the latter if competing as an athlete with a classification of T01.

B - 5.9 Sighted Guide Guidelines

The following has been collated from existing guidelines by both the Australian Blind Sports Federation and the International Blind Sports Association. Some changes have been made to suit the nature of cross country.

- B - 5.9.1** The guide runner must wear a bright orange bib saying 'guide runner'. This will be supplied by School Sport Australia.
 - B - 5.9.2** It is the responsibility of the guide to ensure that the athlete is properly orientated in the start position. The athlete must have a guide for the entire race.
 - B - 5.9.3** Athletes must bring their own guide runner to the championship.
 - B - 5.9.4** Competitor and guide are tethered together by a 50cm tether according to the rule B-5.9.7.
 - B - 5.9.5** As a blind runner crosses the finish line or relay change-over line, the guide must be just behind the athlete.
 - B - 5.9.6** The method of guidance is the choice of the athlete. T11 athletes MUST have a guide, T12 athletes may elect to have a guide and T13 athletes MAY ELECT to have a GUIDE if the course is deemed hazardous to the athlete. The referee and technical delegates will deem what is hazardous to athletes.
 - B - 5.9.7** The athlete may choose to use an elbow lead or run free or be tethered with the guide. Tether shall be made from non-elastic material and not store energy and/or offer a performance gain to the athlete. The tether allows the athlete and guide to be separated by no more than 100cm at its fullest extension. The maximum distance between the two closed loops of the tether to be no more than 50cm – in accordance with World Para Athletics (WPA) Rules 6.18 and 6.19.
- Amended November 2018
- B - 5.9.8** Holding the athlete, or the athlete's clothing is not permitted. An exception to the rule may be allowed if the guide is needed to assist the athlete over an obstacle. An official needs to be consulted prior to the athlete's event if this is required.
 - B - 5.9.9** The athlete may receive verbal instruction from the guide.
 - B - 5.9.10** At no time may the guide pull the athlete or propel the athlete forward by pushing. Infringement of this rule may lead to disqualification – except where identified in 5.9.8.

- B - 5.9.11** For distances over 1500m two guides are allowed. Only one exchange of guides is permitted for each runner. No runner may be accompanied by more than one guide at a time. The exchange must take place without hindrance to other runners. The intention to change guides must be notified in advance to the Referee. The referee will determine the conditions of the change-over.
- B - 5.9.12** It is the responsibility of each state to provide their own experienced guide runner/s prior to the start of the championship.
- B - 5.9.13** During relay races, the touch between athletes can occur either between the athlete and next athlete or the guide and the next athlete. The guide, however, must be behind the incoming athlete at the relay change-over line. Sighted guides must be at least 17years of age.
- B - 5.9.14** WPA Rule 7.8 indicates that the athlete must start the event with a guide runner. The athlete and guide runner must both finish the event with bona fide effort (they must finish together across the finish line, with the guide behind the athlete. If for some reason the guide runner cannot complete the course, the finishing result of the athlete will be determined by the referee, after taking into consideration all factors that led to the guide runner withdrawing.

B - 6. National Schools & Representative Team Selection

The first six (6) runners eligible by age to complete the 16/17 years events at the School Sport Australia Cross Country in the year prior to the ISF World Cross Country Championships will be invited to represent School Sport Australia at the ISF World Schools Cross Country Championships in the year following selection.

Section C – Facilities / Equipment

C - 1. Cross Country Events

- C - 1.1** The course chosen for the event must conform to the requirements set out in the *SSA Cross Country - AA Nat CC Schools - Organisational Manual* and appropriate for the skill level of the athletes concerned.
- C - 1.2** The Organising Committee shall submit a plan of the proposed course to the appointed Technical Delegate and/or the School Sport Australia National Cross Country Sport Advisor for approval at least 2 months before the Championships.
- C - 1.3** Wherever possible, the course is to be clearly marked and/or fully bunted by 1pm on the day prior to competition i.e. prior to walking the course. Persons from the Host member body should be available to walk the course with teams to answer any questions on the day prior to the event.
- C - 1.4** Downhill starts are to be avoided for safety reasons.

C - 2. Relay Events

- C - 2.1** The course shall be relatively flat and conducive to fast running times.
- C - 2.2** A road surface is preferred but is not essential and if chosen must be conveyed to member bodies 2 months before the Championship.
- C - 2.3** The two (2) kilometre course and three (3) kilometre course in the relays should be 2 laps and the 1500m and 1000m courses one lap.

Section D – Uniform

- D - 1.** Each athlete must wear the correct uniform of his/her state when competing and when being presented with a medal/award.
- D - 2.** States may wish to designate a selected group of athletes to wear the principal uniform of that state. If so, the state concerned must make arrangements for other athletes representing that state to be uniformly attired i.e. individual, school or club costumes are not permitted. This does not apply to athletes representing their school only during the international selection trial. Suggested options include the wearing of different coloured shorts, reverse singlet colours, etc.
 - D - 2.1** All athletes representing their School Team in the ISF World Schools selection trial will wear the full running uniform of their school.
 - D - 2.2** If a School team athlete finishes in the first 5 athletes for their state in the 16/17 Boys or Girls they will be bound by the selection rules for the relays and **MUST** wear the uniform of his/her state.
- D - 3.** To permit officials, spectators and competitors to identify athletes properly, each state should ensure that its competition uniform is designed in such a manner that it is clearly distinguishable from other states.
- D - 4.** School Sport Australia will maintain a register of state competition uniforms. States are required to notify their current uniform design.
- D - 5.** The Host member body will allocate each competitor a unique registration number.
- D - 6.** The Host state will provide each competitor with two bibs, each bearing the registration number of the athlete, and pins, etc. to attach the bibs to the athlete's uniform in accordance with AA requirements.
- D - 7.** Any regulations concerning footwear or length of spikes, which may be applicable to the course/venue, must be notified to competing states. Athletes in events 12 years and under are not permitted to wear spikes.
- D - 8.** The Host member body should provide at least 2 baskets for clothes for each state/territory in the call room for the easy transfer of runners' gear.

Section E – Injury Management

E - 1. Refer to School Sport Australia Championship Protocols and Policy for the management of injuries. This policy will override any sport specific injury management Protocols.

I - 2. Trophies

I - 2.1 Cross Country Trophy

I - 2.1.1 A perpetual trophy will be awarded to the SSA member body aggregating most points in all age groups in the Cross Country team races.

I - 2.1.2 Points scoring for able bodied events

I - 2.1.2.1 Points will be awarded according to the number of teams competing in a particular race – the table below shows the scores for 8 teams competing in one race:

1st place	= 8 points	2nd place	= 7 points
3rd place	= 6 points	4th place	= 5 points
5th place	= 4 points	6th place	= 3 points
7th place	= 2 points	8th place	= 1 point

I - 2.1.2.2 Points will be reduced by one if there are only 7 teams – 1st place will receive 7 points. If 6 teams – 1st place will receive 6 points and so on.

I - 2.1.3 Point Scoring for Multiclass events

Multiclass points to be worked out using the following process:

I - 2.1.3.1 Each team has a maximum of 2 scoring competitors per age and gender for the individual cross country event. (3rd will be eliminated for team scoring calculation).

I - 2.1.3.2 Points are awarded for each age and gender.

I - 2.1.3.3 Scoring to be based on the following for Teams' event:

I - 2.1.3.3.1 Each athlete will be awarded the following points based on their finishing time and then having the disability percentage calculation applied. Highest percentage will be placed 1st, second highest 2nd etc.

1st -16, 2nd -15, 3rd -14.....16th – 1.

The points are then added together and allocated as follows:

- Highest points – 8 to
- Lowest points – 1.

I - 2.1.3.3.2 Points will be reduced by one if there are only 7 teams – 1st place will receive 7 points. If 6 teams, 1st place will receive 6 points and so on.

I - 2.1.3.4 These points will then be added into the calculations for the Cross Country and Relay (I - 2.2) Trophies.

I - 2.1.4 In the event of a tie, joint winners will be declared.

I - 2.2 Relay Trophy

I - 2.2.1 A perpetual trophy will be awarded to the SSA Member body state aggregating most points in relay races.

I - 2.2.2 Points scoring for able bodied events

I - 2.2.2.1 Points will be awarded according to the number of teams competing in a particular race – the table below shows the scores for 8 teams competing in one race:

1st place	= 8 points	2nd place	= 7 points
3rd place	= 6 points	4th place	= 5 points
5th place	= 4 points	6th place	= 3 points
7th place	= 2 points	8th place	= 1 point

I - 2.2.2.2 Points will be reduced by one if there are only 7 teams – 1st place will receive 7 points. If 6 teams – 1st place will receive 6 points and so on.

I - 2.2.3 Points scoring for Multiclass events

The calculation method used for the Cross Country Trophy (I - 2.1.3) is to be applied to the Relay Trophy.

I - 2.2.4 In the event of a tie, joint winners will be declared.

I - 2.3 Aggregate Trophy

I - 2.3.1 A perpetual trophy will be awarded to the SSA Member body state aggregating most points in both Cross- Country and relay races.

I - 2.3.2 Scores for each state will be obtained by totalling points awarded for the Cross Country Trophy and the points awarded for the Relay Trophy.

I - 2.3.3 In the event of a tie, joint winners will be announced.

I - 2.4 Improvement Trophy

I - 2.4.1 Three (3) additional three perpetual trophies for the individual cross country, team relays and aggregate categories.

I - 2.4.2 The measure of improvement to be calculated mathematically with relation to the past three (3) year's average results in each category. The team with the highest improvement in each category would win that award.
