ACKNOWLEDGEMENT OF COUNTRY

We would like to acknowledge the Kurna people as the custodians of the lands and waters of the Adelaide region, on which we meet today. We pay respect to Elders both past and present. We acknowledge and respect the Kurna people’s cultural, spiritual, physical and emotional connection with their land, waters and community. We also extend that respect to other Aboriginal Language Groups and other First Nations peoples joining us here this week.

STUDENT PLEDGE

On behalf of all the participants at the 2026 School Sport Australia 18 years and under Baseball Championships, together we aspire to achieve our highest level of personal performance and conduct.

We promise:

- to represent our teams with pride
- to co-operate with all officials
- to respect and abide by the rules that govern these Championships in the best traditions of school sport.
- and, above all, enjoy ourselves.

SCHOOL SPORT AUSTRALIA PRESIDENT'S WELCOME

On behalf of the Board of School Sport Australia, it is my great pleasure to welcome all students, teachers, team officials, parents and supporters to the 2026 School Sport Australia Championships.

School Sport Australia exists to create exceptional student experiences through representative school sport. We are committed to ensuring that every championship delivers a high-quality, inclusive and inspiring opportunity for young people from across Australia to represent their state or territory with pride.

Since our establishment in 1981, School Sport Australia has proudly delivered national representative school sport, supporting generations of students to develop their skills, character, resilience and leadership. In 2026, we are excited to again bring together thousands of students from across the nation to compete in our Championships and School Sport Australia Games united by dedication, determination and a shared passion for sport.

As we continue to build toward our Vision, School Sport Australia remains focused on strengthening equity and inclusion, enhancing professional practice, and modernising our programs to meet the evolving needs of students. We are proud to continue expanding opportunities and ensuring that representative school sport reflects the diversity, talent and potential of young Australians.

While medals and results are part of the experience, School Sport Australia Championships are about far more than competition. They provide powerful educational opportunities that foster teamwork, integrity, respect and sportsmanship. The friendships formed, the lessons learned and the experiences shared both on and off the field will remain with students long after the event concludes.

To all students representing your state or territory — congratulations. Your commitment and perseverance have earned you this opportunity. Compete with pride, support one another, and embrace every moment of this experience.

Finally, I extend our sincere appreciation to School Sport SA, Baseball Australia, Baseball SA, the Championship officials, team coaches & managers and volunteers, and all partners who have contributed to delivering this event. Your professionalism and dedication ensure the continued success of representative school sport in Australia.

I wish all participants a safe, successful and truly rewarding championship experience.

President, School Sport Australia

SCHOOL SPORT SA CHAIRPERSON'S WELCOME

On behalf of School Sport SA, we are delighted to extend a warm and heartfelt welcome to all players, team officials, and supporters attending the School Sport Australia 18 Years and Under Baseball Championship.

We congratulate every competitor on their selection and wish you the very best throughout the championship. This event is not only an opportunity to strive toward personal goals, but also a chance to contribute to your team, embrace new challenges, and build lasting friendships, key features of the School Sport experience.

School Sport SA is proudly affiliated with School Sport Australia, the national body overseeing interstate school sporting competitions. Championships hosted in South Australia reflect the strength of our state-based programs and provide talented students with the platform to compete at a peak school sport level.

We extend our sincere appreciation to Baseball SA for their ongoing support and for generously providing access to their facilities throughout the week, as well as to Baseball Australia for supplying the baseballs for the championship. Partnerships like these are essential in delivering a championship of this calibre. We also acknowledge the dedicated efforts of the organising committee, Paula Nielsen and Jared King (School Sport SA), Chris Norrie (School Sport Australia National Softball Advisor), and James Henty (Baseball SA) whose commitment has made this event possible.

Wishing you a wonderful stay in Adelaide and a truly memorable championship experience both on and off the field.

Clayton Disley and Iain Elliott
Co-Chairpersons, School Sport Management Committee

NATIONAL BASEBALL ADVISOR'S WELCOME

On behalf of the all the players, coaches, managers, officials and administrators from all parts of school sport, welcome to the 2026 School Sport Australia Baseball Championships.

It is a great privilege to have you all in Adelaide at this first-class facility. To get to play on the same turf as the champion Giants and occupy the dugouts that have been graced by present and former national and international stars is a wonderful thing. Such a close connection to players' aspirations can only spur them on to greater things.

That, of course is the wonder of baseball. A major international sport, baseball can offer the talented performer the world – as seen only recently when the MLB's No1 draft pick was Sydneysider Travis Bazzana. Since the early '90s, large numbers of school sport baseballers have gone on to college and professional careers all over the world. All of this is made possible by a clear, accessible pathway – of which school sport is a significant part.

That is our point of difference. To some, this is just another baseball tournament. But, no other event in School Sport Australia's calendar will have about a half-dozen full-time professional scouts watching the talent ply their skills, or have on display athletes already committed to US college programs or MLB contracts. And few other sports can match the close relationships that School Sport Baseball has with its state and national entities.

But none of this is possible without the efforts of a large number of contributors. Firstly, the volunteer teachers at district, regional and state level – oftentimes assisted by their state associations – who happily give their time to this extraordinary educational experience: baseball. It is this foundational connection to individual schools and grassroots volunteers that gives our championships a truly collegial atmosphere.

To these volunteers, we owe much thanks – as we do to the elected and appointed officials at all the steps leading to teams being here this week, many of whom give their time freely, just for the love of baseball and an opportunity to give back to the game.

We also owe a debt of thanks to Baseball Australia, who continue to support School Sport Baseball in myriad ways, and who see this championship very much as part of their Performance Pathway.

So, thank you for being here supporting our student-athletes, and please enjoy. You will see some of the best youth baseball this country has to offer, as the athletes compete, grow and learn.
