

Student & Families Guide

School Sport Australia Games 04

Welcome to an exciting week of competition, connection and celebration.

As you prepare for your trip to SSAG04, this guide brings together key reminders and helpful resources to support students, families and supporters throughout the Games.

Plan Your Visit

IMAGING PARTNERSHIP

School Sport Australia has partnered with Lumus Imaging to support students who may need imaging services during the Games. Students requiring services such as X-rays or MRIs will receive priority access where possible. Referrals will be required, and a list of nearby medical centres will be published shortly.

Wet Weather or Schedule Changes

Weather or other unforeseen circumstances may occasionally require changes to event schedules, activities or Opening Ceremony arrangements.

Updates will be communicated promptly to Team Officials and published on the School Sport Australia Facebook page: [School Sport Australia | Facebook](#)

Please note: To help us communicate quickly with all participants, please do not phone or email Team Officials or School Sport Australia about schedule changes. Individual responses will not be possible during these situations and could delay the sharing of important updates.

Helpful Information

Use the resources below to help plan your travel, arrival and time at the Games.

- [SSAG04 Families Guide](#)
- [Public Transport Guide](#)
- [Public Parking Guide](#)
- [SSA Games - School Sport Australia Sports Programs](#)

These guides include details about venues, transport options, parking and schedules to help you navigate SSAG04 with confidence.

We are excited to welcome athletes, families and supporters from across Australia and look forward to seeing you at SSAG04.
