President's Welcome – School Sport Australia Games 05

On behalf of the Board of School Sport Australia, it is my great pleasure to welcome all students, team officials, families and supporters to the 2026 School Sport Australia Games 05 in Newcastle, NSW.

The School Sport Australia Games provide exceptional student experiences through representative school sport, bringing together seven sports in one city to celebrate excellence, teamwork and the pride of representing your state or territory. Being selected to compete at these Games is a significant achievement and recognition of your commitment, talent and dedication. I encourage every student to embrace this opportunity, compete with integrity and make the most of every experience both on and off the field of play.

School Sport Australia sincerely thanks the City of Newcastle for its generous support and assistance in making these Games possible. We particularly want to thank their cooperation in providing or sourcing the venues to make the games possible. A big thank you to all the clubs, associations and staff for being such wonderful hosts and providing their facilities.

We also acknowledge and thank our valued partners—Struddys, HART Sport and WinkiPop Media—for their ongoing commitment to representative school sport and to creating outstanding experiences for our students.

Finally, thank you to our member bodies, host organisers, officials, volunteers, coaches and managers whose dedication ensures the continued success of these Games.

Congratulations to every student selected to participate. Represent your state or territory with pride, respect your fellow competitors and officials, and enjoy what promises to be an unforgettable School Sport Australia Games experience.

KEITH GRAHAM

National Sports Advisor - Welcome

Message from the School Sport Australia Sports Advisor - Touch Football

As the School Sport Australia Sports Advisor for Touch Football, it is my privilege to welcome you to Newcastle for the School Sport Australia Games and particularly to the 2026 combined 12yrs and 15yrs National Touch Football Championships. These Touch Football Championships are a showpiece for School Sport Australia, and our biggest team sport Championships, providing opportunities for 10 to 12 years and 13 to 15 years students in both boys and girls divisions in addition to junior officials. They are a chance for our finest young touch football players and referees to showcase their skills and talents. This week is the pinnacle of our school sport program, and I am sure that players and spectators alike are looking forward to a wonderful week of Touch Football.

From a School Sport Australia perspective, touch football continues to have the support and commitment of Touch Football Australia (TFA) who continue to work with us to organize and deliver championships such as this one, develop our juniors and provide pathways for our elite players and referees as well as developing touch football in schools across Australia. This is a valuable partnership and one we look forward to continuing to consolidate as we work together to support touch football as a sport.

I would like to acknowledge the many people and volunteers who are integral to the success of a carnival this size. At the grounds we have ground staff, refs including student refs, canteen volunteers and first aid staff to name a few. While back in each individual state or territory there are people working tirelessly to ensure that school students across Australia are given equal opportunity to compete or officiate at the national level. It is important for us all to recognise this fact and also give sincere thanks to the many coaches, managers, team officials, trainers, and tournament officials who have given of their time to ensure touch football remains an outstanding team sport and holds a place of prominence on the Australian School Sport calendar.

This tournament promises to be an outstanding event, giving opportunities for our elite athletes and officials to shine in terms of their sporting performance but also to develop as young people. One of the key aspects of School Sport Australia is an educational philosophy of not just competing to win, but one of the importance of participation and of the enjoyment gained from sharing in a whole range of social, educational and sporting experiences. Our students may be out of the classrooms for this week; however, their educational outcomes will continue to be developed as a key component of school sport.

To all players, officials, parents and friends I wish you a wonderful time in Newcastle and hope you enjoy a wonderful week of touch football. I remind you that we are all role models for our students and just like in our school classrooms or grounds, your support, actions and reactions should be ones that demonstrate to students how we want them to behave. Be passionate but be respectful and remember all officials are volunteers and our competitors, and many officials, are school students. Please don't let your emotions impact negatively on our students or other people, or embarrass yourself, your child or your state/territory. Remember as parents and adults, you are representing your state/territory too.

To players, officials and families, please enjoy the experience of being part of a School Sport Australia National Championship here in the Newcastle.

Yours in sport
